

# Donate your unwanted baby items to the Wee Ones Care and Share program

**Are you tired of unused baby items collecting dust around your house?**

**Maybe you've tried garage sales and second hand stores.**

**Before you give the items to a thrift store, please consider donating them to the Wee Ones Care & Share program - a free service for mothers in need of essential items.**

**There are 24,000 homeless people in Iowa and over *half* of them are children.**

**Will you join us in helping these mothers and children with your donations?**

## About Wee Ones Care & Share

**The Wee Ones Care & Share program is sponsored by Saylorville Baptist Church and led by a team of moms in an effort to improve the quality of life for women and children in our community. All collected items will be distributed free of charge during an event with Saylorville Baptist Church on July 31, 2010.**
